

2018 International Conference on Smart Instrumentations, Measurement and Applications

JOURNAL EXTENSION VERIFICATION FORM

ICSIMA 2018 organizing committee in cooperation with Indonesian Journal of Electrical Engineering and Computer Science (IJEECS, Scopus Indexed, p-ISSN: 2502-4752, e-ISSN: 2502-4760) are inviting the author(s) to extend their conference paper to be published in IJEECS with additional RM1000 (local) or USD 240 (international) for each paper. More information about IJEECS can be found at <http://www.iaescore.com/journals/index.php/IJEECS>

The deadline to submit the extended paper is **31 January 2019**, the acceptance letter will be sent around **14 February 2019**, and the final paper submission and journal processing fee should be finalized by **28 February 2019**. Please contact us if you required invoice for journal processing fee.

The author(s) are required to adhere to the following guidelines. The submitted paper will be examined and verified by reviewer(s) before submission to IJEECS.

Please complete the form below describing your proposed extension		Checklist
1. Reformatting the conference paper into IJEECS template. The IJEECS template could be downloaded from: MS-Word: https://goo.gl/q7ULKc		
2. Original conference paper is cited in the journal paper and added in References section.		
3. The conference paper has been paid and registered, and at least one author has presented the conference paper. Otherwise, it is not eligible for this journal extension opportunity.		
4. Title Change ($\geq 30\%$ differences)		
Old Title:		
New Title:		
5. Abstract ($\geq 30\%$ differences)		
Old Abstract:	New Abstract:	
6. Main body modification ($\geq 30\%$ differences) Guidelines: <ul style="list-style-type: none"> • Introduction and literature review ($\geq 20\%$ differences) by adding 5 to 10 more related references with critical analysis, add additional figures, etc. • Methodology ($\geq 10\%$ differences) by elaborating more, add additional figures, etc. 		

<ul style="list-style-type: none"> • Results and Analysis ($\geq 40\%$ differences) by extending the experiments, use different database/signals, add more critical analysis, benchmarking with additional method(s), etc. • Conclusions ($\geq 20\%$ differences) 	
Use this space to provide your details explanation.	
7. Any other changes you want to highlight, please stated below, for example: author reordering, additional authors, etc.	

I certified that the above information is correct. I understand that the inclusion to IJEECS is subject to the satisfaction of the reviewer.
